Overview:

Projecting a winning image to create a powerful first impression is the key to success in personal, professional and social life. After all, everyone wants to be successful in life, but success is heavily dependent on how effectively you present yourself and the image you create among others. The fact is that a person's image is a combination of several factors and an image consultant can help you project a winning personality in all aspects - leading to an extremely successful career and a happy life. This unique Image Consultancy workshop designed exclusively for women will help you become your own Fashion Stylist and Transform your Personality.

The workshop provides a comprehensive framework of managing your Image and includes the overall image management. The workshop will cover various vital practical ways to help you present yourself at your best and reach your personal and professional goals confidently – because when you look good, you

feel good. When you feel good, you act good, and when you act good people react good. Hence creating a positive IMAGE CYCLE.

Workshop Content:

I. Guided Self Evaluation and Recommendations

Decoding fashion for different body shapes
Face shape evaluation and recommendations

Hairstyle and accessories as per face shape
Personal color evaluation and recommendations

II. Quick Fixes

How to look taller
How to look slimmer

How to look shorter
How to wear patterns

III. Do it Yourself

Creative dressing- from basic to trendy

Applying smart shopping tips to become a smart shopper

Clustering to create multiple outfits with lesser pieces of garments

Accessorizing - Adding interest with accessories

Mix and match outfits by understanding the Arts and Science of clothing.

Training Methodology

Role plays, case studies, team activities & appraisals
Actual demonstrations of concepts discussed .

The workshop is set in a semi-formal conversational setting with use of interactive questionnaires, role-plays and few Power Point slides, where every leader experiences

individual coaching methodologies. Audio-visuals and recordings could be used sparingly.

For Whom:

Heads of Department, Managers, Marketing and Sales Executives, Teachers, Faculty members, Doctors, Lawyers, and other professionals besides women students from all functional areas. Anybody who is fast-tracking the career ladder and needs an image and personality transformation to keep up to reflect their role.

Many women doubt they can be successful, whether because of their own skills or image and self-confidence. Investing in coaching and personality transformation will be helpful to such candidates to find where they are doing well and where they need to improve.
