Corporate Trainer

Venue

Madras Management Association

21/11, 3rd Cross Street, Seethammal Extn, Teynampet, Chennai – 18

Overview:

Human beings are a box of emotions; if we handle the emotions well enough, anybody can be handled. If you cannot handle / manage emotions then you cannot have control over any situations or that matter any person. Gone are the days where people are managed using authority, today in the current situation emotional intelligence plays a major role in people management. Given any situations handling customers, managing a team, creative a conducive work environment, getting the best out of any individual all of it requires emotional intelligence.
